

BECOME A PHARMACY TECHNICIAN

The Pharmacy Technician course is 12 weeks of classroom instruction for individuals interested in a career as a Pharmacy Technician. This course will give you a solid foundation in the skills necessary for employment as a Pharmacy Technician and will prepare you for the PTCB (Pharmacy Technician Certification Board) exam. Learn about the origin and history of pharmacy, calculating doses, drug regulation and controls, transcribing physician's orders, correct medication packaging, and much more.
