Art Collage

- Four canvas boards (or stretched canvases) sizes 16 X 20. They can be purchased at any of the art supply stores in Peoria or at Dick Blick (on-line or at the Galesburg store).
- A personal assortment of favorite photos of family, pets, or friends in either black and white or in color.
- An assortment of wallpaper scraps, handmade papers, gift wrap papers, ribbons, lace, pictures from magazines, scraps of material from a favorite garment, buttons, newspaper clippings of special events, and any other type of memorabilia that has a special meaning for you and can be glued on a canvas.
- “Yes” paste found in the craft departments of hobby stores in a screw type container. This is a very durable paste and works well for gluing items for a collage. You may also substitute “Tacky” glue which works equally well.
- A container of acrylic medium and varnish
- A two inch nylon craft brush
- Several natural (not painted) wood craft sticks to use for gluing objects to the canvas, or bring old brushes to be used instead of the wood craft sticks.
- Three tubes of acrylic paint in the primary colors of red, blue and yellow (Basics brand will be fine for this project.)
- Scissors & plastic tweezers (metal ones damage the paper)
- Decorative napkins (e.g. flowers, geometric designs, figures, etc.) bring an assortment of various types left over from a party or special event (e.g. weddings, birthdays, holidays)
