Illinois public high school juniors are REQUIRED to take the SAT exam at their high school on April 5, 2017.

The state of Illinois has replaced the ACT college entrance exam with the College Board’s SAT for all Illinois public high school juniors. This change takes place beginning with the 2016-17 school year. Illinois Central College offers an SATPREP course that will help students prepare for the test AND answer parents’ questions regarding the transition from ACT to SAT. The SATPREP also helps students gain knowledge in what scores and subject tests are required for college admission and teaches test-taking strategies. SAT topics covered are reading, writing, and math.

Each SATPREP course begins with a 1-1/2 hour introductory session, followed by 4 days, 6-9 pm
