Illinois Central College

College for Kids 2016

Students Entering Grades 4-9

REGISTRATION OPENS MARCH 16
Find us online at icc.edu/cfk

Session 1: June 13-23
Session 2: July 11-21
Dear College for Kids Students and Families,

I am looking forward to another great summer with College for Kids at Illinois Central College. You will notice that the 2016 sessions offer a wide range of classes, many that are new to our program. We are proud to offer new courses within the fine arts, STEAM Education, and more.

Students entering grades 4-9 in the fall can choose from one to three classes per session. Each 2-hour class meets Monday-Thursday for two weeks on the East Peoria campus. Classes are led by highly qualified instructors. Club CFK is offered Monday-Thursday from 3:15-5:00 pm for those wishing to extend their day at College for Kids. Classes do not meet on Fridays, but students are welcome to join us for a Fun Friday Field Trips. Please refer to the Friday Field Trip section for additional information.

In an effort to ensure that all students have a safe and positive experience at College for Kids, we do require attendance at one orientation with your student.

For additional information and details, please refer to the CFK website at icc.edu/cfk or give us a call at 309-690-6900.

Thank you for sharing your children with us! We look forward to seeing you this summer!

Sincerely,
Bryan Blanks
Youth Programs Coordinator
Illinois Central College

We urge you to register early! Class sizes are limited.
General Information

DAILY SCHEDULE
MONDAY-THURSDAY
(CFK classes do not meet on Fridays)
Class 1       8:15-10:15 am
Class 2      10:30 am -12:30 pm
Lunch         12:30-1:00 pm
Class 3       1:10-3:10 pm
Club CFK   3:15-5:00 pm

Classes are held at the East Peoria campus.
Friday Field Trips are offered weekly during each session of College for Kids.

ORIENTATION OPTIONS
Choose only one orientation to attend with your student.

Orientation Option A:
Orientation with Campus Tour –
Recommended for those new to College for Kids
Location: Tranquility Room located near the cafeteria. Enter thru the Main Entrance.
Session 1: Saturday, June 11, 2016
9:00-10:30 am
Session 2: Saturday, July 9, 2016
9:00-10:30 am
*Students enrolled in Session 1 need to attend the June Orientation and Students enrolled in Session 2 need to attend the July orientation. Students enrolled in both sessions only need to attend the June session.

Orientation Option B:
Orientation, No Campus Tour –
Attend the session that begins before your first class of the day.
Location: The Performing Arts Center
Monday, June 13, 2016
8:15 am Class Orientation:
7:30 -8:15 am
10:30 am Class Orientation:
9:45 -10:15 am
1:10 pm Class Orientation:
12:30 -1:10 pm
What to Bring: A copy of your class schedule, completed Emergency Medical and Assumption of Liability Release forms. Classroom numbers will be given at Orientation.

PARKING LOT B IS THE ONLY DROP-OFF/PICK-UP LOCATION FOR CFK
Drop-off - CFK tent in Parking Lot B no earlier than 15 minutes before your first class.
Late arrivals - Escort your student to the homeroom to receive a pink attendance slip. Late students will not be allowed into their classroom without an attendance slip. Do not send late students to class alone.
Pick-up - CFK tent immediately after the student's last class of the day. Students waiting more than 15 minutes after class is dismissed will be escorted to the homeroom. You will be required to come to the CFK homeroom to sign out your student.
*Please note that these procedures are for the safety of our students.

REGISTRATION AND REQUIRED FORMS
Registration opens Tuesday, March 16. Registration will close at 10:30 a.m. on Saturday, June 11, for Session 1 and at 10:30 a.m. on Saturday, July 9, for Session 2.
3 Ways to Register
1) Online at icc.edu/cfk
2) By phone at (309) 690-6900
3) Walk-in at ICC North Campus Hickory Hall, 5407 N. University, Peoria. Office hours are Monday through Friday, 8:00 am to 4:30 pm. and Saturday 8:00-10:30 am

Registration Notes
Make sure to register with your child's name.
You can only register one child at a time and each child must have their own profile. This means that you will have to pay separately for each child. You are more than welcome to call our office at 690-6900 to register multiple children.
Please provide a valid email when registering. A confirmation receipt will be emailed when your registration has been processed and full payment is received. Your receipt will include a link to the required College for Kids forms. Print and complete the Emergency Medical form and Assumption of Liability Release. Return completed forms when you attend an orientation. Additional forms may be printed from our website at icc.edu/cfk.

Fees
Each Class – $79 per session
Club CFK – $69 per session
Friday Field Trips – $69 per trip
Supply Fees as Noted

Visa, MasterCard, Discover, personal check, and cash are accepted. Payment is expected at the time of registration. Enrollment is not guaranteed without full payment.
Lunch

Campus Dining does its best to provide nutritionally appropriate meals for our College for Kids students. All College for Kids students eat lunch together in the Tranquility Room adjacent to the main Campus Dining location. Specials of the day are listed at icc.edu/around-campus/campus-dining. Questions/concerns can be directed to Laura McCue-Newport at (309) 694-5405 or Angie Pacotti-Long at (309) 694-5203 or by email at campusdining@icc.edu.

Lunch Payment Options

CaféCash (gift cards) - You choose the amount to put on the card. The student uses the card to purchase their own lunch from Campus Dining. This is a great way to help your child learn to budget their own lunch money. The only time to purchase a new lunch card is during CFK orientation. Once you have purchased a card, you can add money to the card online at any time.

If you have a card from a previous year, you can deposit additional funds online at icc.edu/around-campus/campus-dining/payment-methods-cafecaash/. The card number is required (it is on the back of the card) for online deposits. Can’t find your card or need one? Then you may purchase one at any time by visiting any of the Campus Dining locations. Just ask for a card for College for Kids. Cash, checks, or credit cards are accepted for in-person purchases.

Cash - Campus Dining and our vending machines accept cash for purchases.

Bring your own lunch - Your student will be responsible for keeping track of their own lunch. Your child will not have access to a refrigerator or a lunch collection bin/system. Campus Dining will not sell energy drinks to College for Kids students in its lunch room, and we strongly recommend that students do not bring these drinks in or purchase them through our vending machines while attending College for Kids.

Refunds and Cancellations

Requests for a refund must be received five (5) business days before the first day of each session. Refunds will not be issued after the deadline dates listed: Session 1 – June 6, Session 2 – July 1 (due to the holiday weekend). Requests may be made by phone at (309) 690-6900. College for Kids reserves the right to cancel a class due to low enrollment. Students enrolled in a class that is cancelled will be offered an alternative class or the option of a full refund.

Scholarships

Limited scholarships are provided by the ICC Educational Foundation. The scholarship amount is $60 per class with a maximum of two scholarships per child, not to exceed a $120 total. Limit of four scholarships awarded per family, not to exceed $240 total. Additional classes will be charged at full price. Club CFK and Friday Fun Trips do not qualify for scholarships. Scholarships are awarded on a first-come, first-serve basis and are subject to availability of funds and verification of financial need. Scholarship application is available online at icc.edu/cfk or call (309) 690-6914 for additional information. Do not register online if you are requesting a scholarship.

Attendance

Attendance will be taken at the start of each class period. Absences or late arrivals must be called into the CFK homeroom at (309) 694-8880. If you arrive more than 15 minutes after class begins, you must escort your child to the homeroom. Your child will receive a pink attendance slip that will be given to the instructor. Late arrivals will not be allowed into the classroom without an attendance slip. Accurate attendance is important for the safety of our students. The location of the homeroom will be given out during orientation.

Discipline Policy

Appropriate and respectful behaviors are expected while attending CFK. Students that do not uphold these expectations will be escorted to the CFK homeroom. It will be the student's responsibility to contact their adult caregiver to explain why they were removed from class. Students will be allowed to return to class when they are able to agree to improved behavior. Continued disruptions may result in the student's permanent dismissal from College for Kids with no refund given. Illinois Central College has a zero tolerance policy in that no weapons (i.e. knives, guns of any kind, etc.) are allowed on campus. Any student choosing not to abide by the rules and regulations of Illinois Central College will not be allowed to return to College for Kids. These policies help ensure the safety of our students and staff.

Illinois Central College stands committed to diversity in all of its dimensions. The college embraces, values, and encourages diversity at all levels of its operation. The college stands for tolerance, non-discrimination, and cultural sensitivity.

<td><strong>It's Magic</strong>&lt;br&gt;<strong>NEW!</strong>&lt;br&gt;Grades 4-9 8:15&lt;br&gt;($5 Supply Fee)&lt;br&gt;Want to become the world's greatest magician or wizard? Come learn how to perform sleight-of-hand, vanishes, penetrations, and transportations in this beginners magic class for boys and girls of all ages! We will use household items to perform astounding feats. You will also watch and learn the secrets of the greatest magicians in history. But remember: You must never tell anyone how it's done!</td>
<td><strong>Grades 4-6 8:15</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Bring your creativity and enjoy using your imagination as you cut, paint, glue, and arrange original crafts. You will complete several projects that can be taken home and displayed for family and friends. There will be plenty to keep you busy while you enjoy making new friends and awesome crafts!</td>
<td><strong>Grades 4-5 1:10</strong>&lt;br&gt;Grades 6-7 10:30&lt;br&gt;Grades 8-9 8:15&lt;br&gt;($5 Supply Fee)&lt;br&gt;Looking for something new to do this summer? How about learning to sew! Learn to operate a sewing machine, do hand stitching, and learn to read and follow a pattern. Bring an old pair of blue jeans that can be transformed into an eco-friendly tote. Use your new or improved sewing skills to make something unique and all your own.</td>
<td><strong>Grades 4-7 1:10</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Get crafty this summer while you enjoy meeting new friends and having fun! Join us as we create crafts that you can give as gifts or keep for yourself. We will make crafts for Valentine’s Day, 4th of July, Halloween, Thanksgiving, Christmas, birthdays, and more. If you like to cut, glue, arrange, and create than this is the class for you!</td>
<td><strong>Grades 7-9 10:30</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;When hunger strikes, you will be ready! This cooking class, designed primarily for boys, will teach you basic cooking skills and how to prepare some simple snacks and meals. From nachos and dips to sliders and desserts – impress your family and friends with your new culinary skills!</td>
<td><strong>Grades 4-9 8:15</strong>&lt;br&gt;Join the “pop” culture by exploring the fun of balloon twisting and balloon sculpture. Balloon twisting and sculpture is a fun activity which also helps children with manual dexterity, self-esteem, and even structural engineering. Learn the secrets of balloon art as a professional balloon artist shows you the basics of twisting balloons into simple objects, animals, and complex structures. It’s a fun hobby that can last a lifetime.</td>
</tr>
<tr>
<td><strong>Tae Kwon Do</strong>&lt;br&gt;<strong>NEW!</strong>&lt;br&gt;Grades 4-9 10:30&lt;br&gt;Kapow! Girls and boys, if the high flying kicks in action movies excite you, this is the class for you. You will learn techniques and traditions of the most popular martial art in the world from a Master Black Belt. Learn confidence, respect, and discipline as you practice punching and kicking the bags. Tae Kwon Do will be taught as an art form, sport, and self-defense system. This will be a safe, no contact environment. Wear loose fitting pants and bring a water bottle.</td>
<td><strong>Grades 5-9 1:10</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Through knitting a KidKnits hat, you will have a chance to reflect on what character traits make a global leader, learn about the unique cultures of Rwanda and Chile and reflect on your role in the future of our world. The hand spun yarn used to make the hats helps support the women in both Rwanda and Chile with employment and empowerment to better their lives.</td>
<td><strong>Grades 4-7 1:10</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Get crafty with food! Use graham crackers, pretzels, icing, “dirt”, and more to create artwork you can display and eat. You will have fun working in teams as well as individually. This class will satisfy your sweet tooth and your artistic side.</td>
<td><strong>Grades 4-7 1:10</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Get crafty this summer while you enjoy meeting new friends and having fun! <tr>
<td><strong>We Got the Beat!</strong>&lt;br&gt;<strong>NEW!</strong>&lt;br&gt;Grades 4-8 8:15&lt;br&gt;Whether you are interested in cheerleading, music, or dance, there is one common thread among all of these . . . RHYTHM! This course is geared towards helping you develop a strong sense of rhythm. We will participate in activities that are inspired from the musical group STOMP, using “junk” as instruments to make sound to create rhythm. We will also learn various vocal chants and cheers that will help you gain a strong sense of rhythm. Come join us to learn why “We Got the Beat!”</td>
<td><strong>Grades 4-6 10:30</strong>&lt;br&gt;($5 Supply Fee)&lt;br&gt;Do you like to draw and design fashions? Learn to draw and design just like the pros. Experiment with different fabrics, trims, and accessories as you design your own fashion line and create garments using 1/4-size dress forms. Take a look at the current fashion trends and learn about the fashion industry. If you are ready to design and create fashions, this class is for you!</td>

Digital Scrapbooking
Grades 4-7  1:10
We have taken scrapbooking to a whole new level! Digital scrapbooking has become very popular over the past couple of years; it's fun, exciting, and easy to learn. We will create memories from pictures that you have saved to a flash drive. We can even scan your pictures during class and upload them into your digital scrapbooking pages. It's that easy! Have your photos saved or have photos ready to scan when you come to class on the first day. Let's get started creating memories that will last a lifetime. Come join us and have some fun. You will be amazed at what you have created!

Start from SCRATCH
Grades 4-6  8:15
Programming made easy is what Scratch is all about. Scratch is a dynamic programming language that allows students to create animations, games, interactive stories, music, and art. Students will unleash their creative potential utilizing the programming tools that Scratch provides. Scratch is developed by the Lifelong Kindergarten Group at the MIT Media Lab.

Robot Revolution
Grades 6-8  8:15  JUNE ONLY
Grades 6-8  10:30  JUNE ONLY
We are experiencing an explosive growth of robotics both at home and at work. Join us to experience this robot revolution in action. We will explore three old friends: Spider III, Hyper Line Tracker, and the Robotic Arm Trainer. These favorites will be joined by five new robots to explore: Rockit Robot, Jungle Robot, Wall Hugging Mouse, Soccer Pro Robot, and Sound Activated Walking Robot. Students will learn robot history and do hands-on exploration activities to discover real world uses for robots in this exciting age of robotics.

Game Maker
Grades 4-6  8:15
Grades 4-6  10:30
Have you always wanted to design computer games, but you don't want to spend a lot of time learning how to become a programmer? Then you've come to the right place. Game Maker is a program that allows you to make exciting computer games without the need to write a single line of code. You can make games with backgrounds, animated graphics, music, and sound effects. Once you get more experienced there is a built-in programming language that gives you full flexibility. Game Maker can be used free of charge and you can use the games you produce in any way you like – you can even sell them!

Advanced Game Maker
Grades 7-9  1:10
Prerequisite: Game Maker I (or instructor’s permission). Advanced Game Maker shows you how to create several exciting games using new graphics while advancing the skills you learned from Game Maker I. This class covers a range of genres, including action, adventure, and puzzle games, complete with professional quality sound effects and visuals. It discusses game design theory and features practical examples of how this can be applied to making games that are more fun to play. Game Maker allows games to be created using a simple drag-and-drop interface, so you don't need to have any prior coding experience. It includes an optional programming language for adding advance features to your games, when you feel ready to do so.
Computer Aided Design CAD
Grades 6-7  10:30
Grades 8-9  1:10
Students will enjoy activities which include creating mechanical images that would be used in careers like engineering and manufacturing. You will be introduced to the units of CAD navigation, drawing basic objects, modifying those objects, orthographic projections, isometrics, and dimensioning. AutoCAD® will be the principal software used.

Computer Programming with Etoys
Grades 7-9  10:30
Are you a right brain and left brain person? Do you have a need to create and use your powers of logical thinking? Then this course is for you! Here you will learn the basic skills of computer programming. You will sketch your own worlds and elements. Then you will learn how to program their movements and actions just like the pros. You can also create animated storybooks. If you wish, your finished projects will be submitted to Etoys Illinois, a collaboration with the University of Illinois and Google, to be posted on the World Wide Web for all to view. An awesome experience awaits you!

Foreign Language
German for Fun
Grades 4-9  10:30  JULY ONLY
Speaking German is fun! Conversations will be a big part of this class with enhanced vocabulary including numbers, time, colors, food, days, month, seasons, school objects, and weather expressions. Listening and speaking skills are practiced through role-playing, games, songs, and poetry. There will be awards and prizes for all!

French for All
Grades 4-6  8:15
Learn French the fun way! Through a variety of games and activities you will learn the French alphabet, numbers, colors, conversational phrases, and more. The class will also learn and perform a short play – all in French, of course!

Fantastic French
Grades 7-9  10:30
This is the place to be whether you are learning French for the first time or want to review what you already know. Class lesson will focus on alphabet, colors, vocabulary for conversation and travel, and more. In addition to our classroom learning, we will spend time online researching a variety of free websites available for foreign language learning.

Interpersonal and Study Skills
Babysitters Club
Grades 5-9  8:15  NEW!
Come learn how to be the best babysitter! In this class we will learn how to interact with all types of age groups (infant to preschool), and will prepare students for the responsibility of watching children. Nutrition, sanitary practices, communication with children, TV programming, and positive role-modeling are all areas that will be discussed. You’ll even learn how to change a diaper with proper sanitation! If interacting with younger children is a passion for you, then this class will be a great tool and learning experience.

Life Skills for Middle School
Grades 4-6  10:30  JULY ONLY
Learn important skills necessary for success in middle school. We will role-play tricky situations requiring anger management and coping with bullying. We'll talk about making and keeping friends and dealing with everyday annoying situations. We will also practice organizational skills which will help get you and your homework to the right place at the same time. We will discuss how to: earn more freedom by taking more responsibility, learn about internet safety, make a plan for involvement in school activities, and seek a leadership role in your school. This class is led by a current middle school counselor.

Leadership Training
Grades 6-9  1:10  JULY ONLY
Are you a “take charge” person? Do you enjoy helping others to experience success? Learn how to use your talents and personality to become a better leader at your school and in your community. Learn about setting goals and taking steps to reach them. This course is based on the book, The Seven Habits of Highly Effective Teens by Sean Covey.

Work Smarter
Grades 6-7  10:30
Grades 8-9  1:10
Learning to work smarter will be one of the best things you do for yourself this summer! You will learn study skills, strategies, habits, attitudes, and self-awareness that will serve you through your high school and college careers. We’ll practice goal setting, time management, organization, memory, reading strategies, note-taking skills, test-taking skills, researching and writing, and learning to reduce test anxiety. This class will help you be a more efficient student!

CLASS SIZE IS LIMITED! SIGN UP TODAY!

ALL CLASSED ARE HELD AT ICC EAST PEORIA CAMPUS.
Language Arts

American Girl Doll
Grades 4-6 10:30 JULY ONLY
($5.00 Supply Fee)
Do you want to learn and explore more about the American Girl Doll series? Well bring your favorite American Girl Doll to class as we journey through many of the popular characters in the series. This course will utilize crafts, storytelling, and role-play as way to explore these literary figures we’ve grown to love. Our instructor is a literature instructor and has been an American Girl Doll fan for many years. If you are a true American Girl Doll fan, we encourage you to join this class.

Write On!
Grades 4-6 1:10
Do you like to write? Do you need some fine-tuning of your writing skills? Either way this class is for you! Students will have the opportunity to learn new forms of writing and ways to make their writing the best it can be. Come ready to have fun and to discover the writer in you! You will have a portfolio of writing to take home at the end.

Harry Potter
Grades 6-9 8:15
This class will have all new material this summer! Take this opportunity to examine everyone’s favorite series, and see what makes this story a timeless epic. You’ll get to join the house that fits your personality, play games against your rivals and conjure up spells that bring your magical fantasies to life.

Super Heroes as American Mythology: Bigger and Bolder
Grades 6-9 8:15
It’s back! Bigger and better than ever! Every empire has its own mythology and we’ll examine America’s historical evolution through the lens of its unique mythology: superheroes. On the printed page, in movies and TV, or in video games, we’ll examine how superheroes have changed over time and how that reflects America’s own development and what it says about our future.

From Ragtime to Rap: American History Through Popular Music!
Grades 6-9 10:30 NEW!
America’s history is a musical tale; and we’ll trace the major events of our country’s history as they are reflected in modern American music, from the earliest sounds of Ragtime, Gospel, and Blues all the way to the modern era’s Country, Rock, and Rap.

From Cryptids to Creepy Pasta: Urban Legends Across the Globe
Grades 6-9 1:10 NEW!
This world is a mysterious place, filled with mysterious things. We’ll look at legends from across time and around the world, discussing what’s fact and what’s fiction, and considering why these tales are so prevalent across cultures and what they say about the people who tell them.

Mathematics

Math Trick or Treat
Grades 4-6 10:30
Let’s use math tricks in the kitchen to create some treats. We will review fractions, conversions, multiplication, and division, and learn to read amazing math “recipes” (story problems). To finish off this class we will eat and make our math worries disappear.

Junior Achievement: More Than $$
Grades 4-6 1:10
Learn about earning, spending, sharing, and saving money. Through a series of fun, hands-on activities and games, you will learn to manage a bank account and identify personal skills and interests. This class will also connect students with possible business opportunities and help them learn about market research, identify the basic steps for starting and operating a small business, practice making smart consumer decisions, and learn to recognize deceptive advertising and the importance of ethical business practices.

Mathletes
Grades 7-9 10:30
Grades 4-6 1:10
If you like sports/want to work on your math skills, Mathletes is the perfect course for you! Mathletes will combine sports knowledge, techniques, and activities to help promote enthusiasm for mathematical learning. Mathletes will expose students to new problem-solving techniques and systems of logic. Through Mathletes we will explore an unconventional mathematical approach. Let the games begin!

Algebra and All Its Excellence
Grades 5-7  10:30
Have you always enjoyed algebra and find you want to know more? We will take what you already know and have learned in school, and use the concepts to work our way through complex math situations. You will work together with other algebra enthusiasts to solve complicated math problems and discover new ways to use math. Throughout this course, we will complete mini-projects on topics such as the true cost of smoking, calorie content in common foods, sports data, and so much more! If you love algebra, you will enjoy this course. Note: All of these projects are aligned to the new Common Core Learning Standards.

Math Scene Investigation
Grades 7-9  8:15
Do you like to investigate things? Think like a forensics expert in solving problems with math. Learn how to find the missing number in an equation, find the missing words in a story problem and create graphs, charts, and more. Learn how to use math to solve everyday mysteries both real and imagined. Join us as you become an MSI for CFK.

Visual and Performing Arts
I Love Art!
Grades 4-6  8:15
If your creative side needs something to do this summer then join us for I Love Art! Study the history of art and explore the artistic styles of several famous artists. You will use a variety of media to create your own portfolio of masterpieces. Get your palette and brush ready – the artist within you awaits!

Origami Basics
Grades 4-9  1:10   JULY ONLY
Grades 4-9  10:30   JULY ONLY
Have you tried to do origami and ended up with a wad of paper? Origami is the Japanese word for paper folding. Learn the basics of origami and how to read an origami diagram – even if it is in Japanese! You will be folding paper into recognizable shapes in no time! Many types of origami will be folded, including creating with plastic pieces. Bring a shoe box or other similar sized container with a lid to store your origami creations.

Photomania
Grades 4-6  8:15   JUNE ONLY
Grades 7-9  10:30   JUNE ONLY
Students will learn the basics of photo composition, what makes a good photograph, and tips and techniques on how to take great pictures. We will focus on the process of actually taking photographs and we will also work with editing and post-production ideas for photography. Students must have a digital camera to use for class.

Jewelry Making
Grades 4-9  8:15   JUNE ONLY
Students will be introduced to the art of jewelry making in this class. Children are encouraged to explore their creativity and are introduced to interesting color and texture while improving hand-eye coordination, small muscle development, and pattern making skills in a relaxed, fun environment! We will create beautiful jewelry to take home during each class. Students will be introduced to a range of age appropriate jewelry making techniques using lots of tools.

BeadsForLife
Grades 4-9  8:15  JULY ONLY
NEW!
Students will create not only beaded works of art, but a conversation will be sparked regarding poverty across the world. BeadsForLife is an organization that has been helping women find their spark in Uganda for the last decade – helping them leave poverty behind, for good. The supplies purchased for this course will help raise money for this organization.

Let’s Dance
Grades 4-9  1:10
This class is a perfect opportunity for boys and girls to expand their dance talent. No previous dance experience required! Participants will learn aspects of musical theater dance, contemporary dance, and jazz. Bring a labeled water bottle and wear comfortable clothing – no loose shorts, skirts, or midriff shirts. Dance shoes are optional. An informal presentation will be performed on the final day of the session.

Let’s Choreograph!
Grades 4-9  10:30
This class is for those interested in expressing themselves artistically through dance choreography. A sequence of exercises will be given to help access your individual creativity. Bring a labeled water bottle and wear comfortable clothing – no loose shorts, skirts, or midriff shirts. Dance shoes are not needed as participants will choreograph in bare feet. An informal presentation will be performed on the final day of the session.

CLASS SIZE IS LIMITED! SIGN UP TODAY!
Broadway Bound
Grades 4-6 8:15
Grades 7-9 10:30
Everybody knows there’s no business like show business! So if you are interested in dancing, singing, or acting, this performance class is for you! Find your strengths in performing while experiencing fun theater activities including improvisation, the body movements of pantomime, basic musical theater stage movements, and some intro into vocals. No experience is necessary, just the desire to have fun. Who knows, you may someday be . . . Broadway Bound!

CFK’s: The Voice
Grades 4-6 8:15
Grades 7-9 10:30
Join us for two weeks of singing! This will be an exciting opportunity to sing a variety of music, learn healthy vocal production, and improve your own singing voice. This summer’s session features popular and Broadway selections. You will get to keep some of the pieces that we sing. We will also have a final day performance to showcase all we have learned! Looking forward to singing with you!

Stage Struck
Grades 4-9 1:10
Are you struck by the desire to perform? Get in touch with your inner star by joining us for this beginning acting class and prepare yourself for drama and the speech team. You’ll love focusing on the acting aspect of theater through skits, duets, monologues, and improv based on the television show Whose Line is it Anyway? No experience is necessary . . . just remember there’s no business like show business!

Actin’ Up: Improvisation
Grades 7-9 8:15 NEW!
What is Improvisation exactly? Improvisation is acting on your feet without a script. Think of this course as SNL or Who’s Line is it Anyway? coming to CFK for the summer! Students will explore improv as an acting tool. You will also learn basic stage movement, pick small scenes and monologues to deliver, and learn the basic building blocks of acting. You don’t need to have acted before, you don’t need to know how to sing or dance (we will be performing non-musical pieces); you just need to be ready to “Act Up!”

Science and Social Sciences

Environmental Explorers
Grades 6-8 1:10 NEW!
Environmental Explorers – want to learn about the outdoors? Become an environmental explorer! You will learn about nature and its interactions with mammals, birds, insects, forestry, and more. You will be able to conduct experiments that test environmental conditions and learn basic wilderness survival skills. We will learn both in the classroom and in nature for an exciting experience!

Junk Battles
Grades 4-6 8:15
Grades 4-6 10:30
“To invent, you need a good pile of junk,” so said Thomas Edison. You will be challenged to create devices that will accomplish a task using only the “junk” provided. Using your science and engineering skills, you will be a contender in the Bridge challenge, Marvelous Marble Maze, Drop Zone, and many more battles. We’re looking forward to building with you!

Psychology
Grades 7-9 10:30
Why do people behave the way they do? Why do people pick the careers that they do? Is it possible to “train” your brain? Psychology is the study of the human mind and behavior. In this class, you will study the things inside and outside the brain that make people behave the way they do. You will even do some of your own research to discover the patterns of human behavior.

Business

Risky Business
Grades 5-8 10:30
Grades 5-8 1:10
Buy low, sell high! Meet the Bear and the Bull. Wipe those Wall Street blues away as you learn about business and economics and invest in your future! Create your own companies and participate in a simulation stock market game. Earn play money and then spend it during a live auction the last day of class.

Classes are offered Monday–Thursday during both sessions of College for Kids unless otherwise noted.
Jump Trading Simulation and Education Center
Friday, June 17
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

Jump Trading Simulation & Education Center (Jump) is an incubator where collaboration and innovation lead the transformation of health care worldwide. Jump programs and objectives are key to improving the safety, effectiveness, and efficiency of care for community members across the region. On this tour, students will rotate through four different stations that include a tour of the facility in addition to stops at the skills, anatomical, and innovation stations. Students will participate in an extremely hands-on learning experience as they work with Simulation Engineers, Simulation Specialists, and the Anatomical Coordinator at Jump.

Abraham Lincoln Presidential Library and Museum
Friday, June 24
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

Travel with us to Springfield, Illinois, to explore the hometown of Abraham Lincoln. We will tour the Abraham Lincoln Presidential Museum with its holographic and special effect theaters, interactive displays, and multimedia programs. There is also an 1861 reproduction of the White House. This historic field trip is a great way to spend a summer day!

We will eat our sack lunch at the museum and have an opportunity to spend some time in the museum gift shop.

Get up and Move!
Jumpstart Gymnastic and Kids Activity Center and Corn Stock Theatre

Friday, July 15
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

We will start off the day at Jumpstart Kids and Activity Center. Students will be able to engage in a safe, fun, learning environment through guided, play, experiment, exploration, and discovery at Jumpstart. Jumpstart uses the sport of gymnastics through movement activities as a tool to successfully energize students and to improve self-image. We will then head to Corn Stock Theatre. Students will be led on a guided tour of the outdoor theatre and indoor theatre center. An experienced director and technical designer will be on hand to show the students the backstage details of putting on a production. Students will participate in a variety of improvisation and energetic theatre activities.

Horseback Riding at the Rockin' P Ranch in Pekin
Friday, July 22
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

Join us at Rockin’ P Ranch in Pekin for some horseback riding. Learn about horseback riding safety, ride a horse along a trail, and create a craft during your time at the ranch. All riders must be age 8 or older. Helmets are mandatory for children who ride. The ranch can provide helmets at no charge or riders can bring their own. Liability waivers must be completed and signed by parents/guardians for all children before the trip. It is recommended that riders wear long pants and a heeled shoe or boot. Absolutely NO flip-flops are allowed on rides. Also, please make sure to bring water for breaks and please bring a sack lunch from home for this trip. Don’t miss this opportunity to experience the great outdoors on horseback!

Abraham Lincoln Presidential Library and Museum
Friday, June 24
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

Travel with us to Springfield, Illinois, to explore the hometown of Abraham Lincoln. We will tour the Abraham Lincoln Presidential Museum with its holographic and special effect theaters, interactive displays, and multimedia programs. There is also an 1861 reproduction of the White House. This historic field trip is a great way to spend a summer day!

We will eat our sack lunch at the museum and have an opportunity to spend some time in the museum gift shop.

Jump Trading Simulation and Education Center
Friday, June 17
Grades 4-9 • 8:30 am-2:30 pm • $69 per trip

Jump Trading Simulation & Education Center (Jump) is an incubator where collaboration and innovation lead the transformation of health care worldwide. Jump programs and objectives are key to improving the safety, effectiveness, and efficiency of care for community members across the region. On this tour, students will rotate through four different stations that include a tour of the facility in addition to stops at the skills, anatomical, and innovation stations. Students will participate in an extremely hands-on learning experience as they work with Simulation Engineers, Simulation Specialists, and the Anatomical Coordinator at Jump.

Drop-off at the CFK tent no earlier than 8:30. The ICC Cougar Bus departs at 8:45 am and will return by 2:30 pm. All students registered for Friday field trips MUST ride the from the East Peoria campus to and from the field trip location. This is necessary for the safety of our students. Students will be supervised at all times. Parents must be able to pick up their children from the CFK Tent by 2:30 pm. Space is limited for all Friday Field Trips, so register early. Students must bring a sack lunch and a drink.

Space is limited for all Friday Field Trips, so make sure to register early!
If your dream is to work in a professional kitchen, or you just love the idea of developing your cooking talent, than join Chef Charles this summer for a unique culinary experience. This intense, inspiring camp for young chefs builds the essential skills needed to conquer the kitchen. In five weekday sessions you’ll learn from the same instructors who train our adult career students. Each day is a true hands-on experience, beginning with your first lesson when you learn how to make basic sauces such as Velouté and Béchamel.

After the course is completed, ICC Culinary Camp graduates leave with a new sense of culinary confidence, and the ability to make such dishes as balsamic vinaigrette grilled pork chops, salted caramel panna cotta, and more.

The Culinary Camp is held in the professional kitchens in Dogwood Hall at the ICC North Campus. The week-long course is taught by professional chef, Charles Robertson and includes all supplies, chef’s knife, peeler, and sharpening steel. Some scholarships are available.

Cost – $399

Contact us at (309) 690-6900 or icc.edu/cfk for additional information and registration.
